## PROFILE

Darby Rose~Lin Sabin is a diligent musician with roots in blues, soul and rock music. Raised in an entrepreneurial family, her business background adequately prepares her for the intense structure of the music industry, and all that it takes to organize and run her personal enterprises in music.

## SKILLS

Darby demonstrates an exemplary level of interpersonal and written communication skills that contribute to her youthful professionalism. She exudes diligence and tenacity in all of her endeavors. Her musical proficiency is well-rounded and disciplined on an advanced level. She offers a competitive level of experience and global competency at the young age of twenty one.

## EXPERIENCE

### **Long-Term Music Substitute, Mt. Blue Regional School District; Maine - Present**

While home studying remotely through her senior year at Berklee, Darby is spending her time educating a new generation of music students in her childhood hometown and surrounding area elementary and middle schools. Entrusted with elementary education, she shares her passion for world music in an interactive way - fostering a greater understanding of global citizenship, the migration of musical theory and method, and in turn exposing a connection to current events and the power of music in communal, national and international relations.

### **Private Music Instructor, Guitar, Piano, Theory and Voice - 2017-Present**

Darby has been a private music instructor - teaching an array of musical concepts to varying proficiency levels of students from 6-50 years old. Instruction in piano, guitar and voice with personalized lessons catering to the needs of each individual student. Conducts multiple workshops and presentations throughout the year for various groups - notably the Children's Task Force Summer Program.

### **Student Academic Mentor, Berklee College of Music; Boston, MA - 2019-Present**

As a student mentor Darby is assigned 40 students each semester and serves as a liaison between her students and the advising department. She also serves as a representative/advocate for the students in their navigation through institutional resources and local information.

### **Vocalist and Guitarist, Rose Hill (band); Boston, MA - 2018-Present**

Founding member of the performing band Rose Hill, which formed between students at Berklee College of Music in Boston. This band mix of blues-rock and soul covers and originals with influences in funk and Motown as well.

### **Office Manager, IEC Electrical and Data; Strong, ME - 2015-Present**

Electrical Company, One of the largest employers in Western Maine. Darby performs data entry tasks, operating information systems, customer service, data filing, maintaining bank records, bill payments - all vital to maintaining a business. This experience has proven essential in the operation of Darby's personal music businesses.

### **Solo-Performing Musical Artist - 2014-Present**

A professional performing artist with credits in shows throughout the United States from Maine through the continental US all the way to Hawaii, as well as performing internationally in Spain and greater Europe.
